Homework #X

Your Name
ID: Student ID
Due: Due Date

Problem 1:**Solution**

Write your solution here. Use equations like:

$$x_{k+1} = Ax_k + Bu_k \quad (1)$$

Inline math: $J = \int_0^\infty x^T Q x \, dt$

Answer

Final result, boxed conclusions, or key equations go here.

Problem 2:**Solution**

You can include figures:

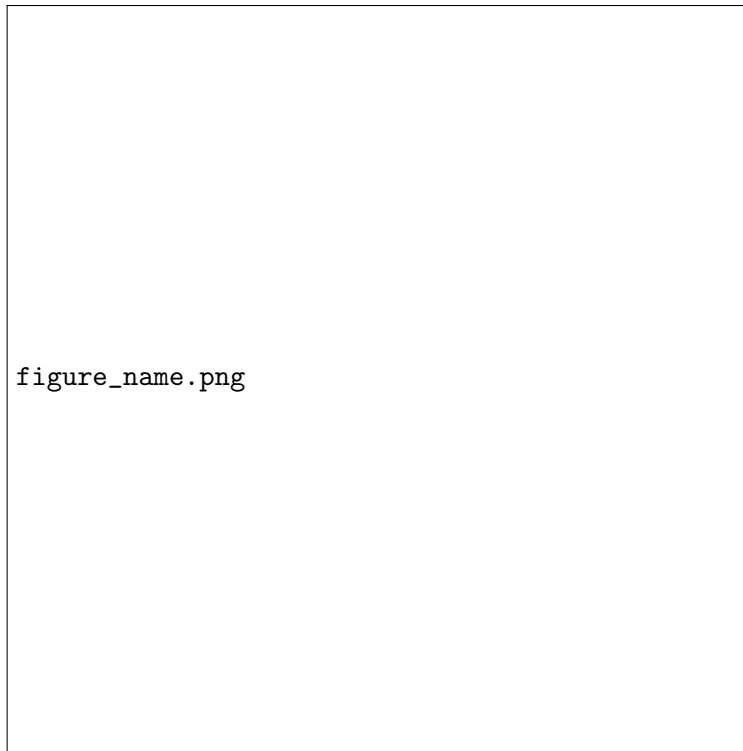

Figure 1: Example figure

Or code:

```
A = [0 1; -2 -3];  
eig(A)
```
